GLOBAL PRESENCE

Biofach · Fruit Logistica · Fruit Attraction · CPMA Canada · IFPA / PMA Fresh Summit

A family business rooted in Peru — built on trust.

We work hand in hand with smallholder producers, supporting them to grow high-quality fresh produce responsibly, ethically and transparently.

01

History

A family business built on trust, transparency and the constant pursuit of excellence, working hand in hand with small producers since day one.

02

Product

High-quality fresh produce grown responsibly and ethically — better for our customers, our producers and the environment.

03

Team

Ambassadors for quality, sustainability and ethical sourcing. Your satisfaction is our priority and we are committed to smooth delivery.

04

Sales

Commercial support across the USA, Canada and Europe — connecting responsible Peruvian farming with international fresh-produce demand.

OUR VISION

To create a positive impact in our farming communities by promoting sustainable agriculture, reliable sourcing and responsible fresh-produce supply chains.

OUR VALUES

Quality

In every product and service we deliver.

Transparency

With customers, suppliers, workers and communities.

Flexibility

Adapting to each customer and market requirement.

Reliability

Committed to consistent supply, quality and long-term partnerships.

Six crops. One standard of quality.

SCOPE OF CERTIFICATION

Organic certifications apply to our organic ginger, turmeric and selected avocado programmes. GLOBALG.A.P. and GRASP certificates are available according to product and producer scope.

VALIDITY & DOCUMENTATION

Certificate numbers, validity dates and scopes are available upon request. Scopes and validity depend on crop, producer group and season.

TRACEABILITY

FROM FARM TO PORT

From farms to port, every step carefully managed.

Harvest & farms

Hand-harvested on selected farms in Satipo, Huaral and other Peruvian growing regions.

Packing & selection

Hand selection, washing, grading and packing to USA and EU calibre and quality standards.

Cold storage

Temperature-controlled storage and export crates help preserve freshness from packhouse to port.

Quality & traceability

Every crate labelled and traceable — certified-organic lots tracked from field to container.

LOGISTICS & SHIPPING

Reefer containers through reliable ocean carriers.

Incoterms: FOB Callao / Paita. CIF, CFR and door delivery available upon request. Cold-chain coordination from packhouse to destination port.

GERMANY

On the ground in Germany — your bridge into Europe.

Through **Inkawald Germany**, European importers and retailers get local commercial support, EU-compliant sourcing and one point of contact in their time zone.

INKAWALD GERMANY · EU IMPORT & DISTRIBUTION

Your trusted bridge between Peru's growers and Europe's buyers.

We connect European markets with organic ginger, turmeric and avocado — plus conventional avocado and mandarin — sourced directly from trusted Peruvian farmers and built on transparency and long-term partnerships.

EU-MRL focused sourcing

Pesticide residue levels, food safety and traceability selected to meet EU-MRL requirements.

Tailored sourcing

A wide producer network across Peru allows us to support tailored sourcing programmes beyond our core product range.

Growing producers

Farmer training in partnership with international organisations PUM and IPD for stronger, fairer farms.

LET'S DO BUSINESS

Request availability and pricing today.

Tell us your market, target volume, preferred packing and arrival window — our commercial team will reply within one business day.
