— READY FOR EXPORT TO EUROPE —

awarded to

Inkawald

has successfully participated in the export promotion programme of the German **Import Promotion Desk (IPD)** from 2020 – 2023.

Inkawald

is considered *"ready for export to the EU"* according to the IPD criteria.

The IPD is an initiative for import promotion in Germany.

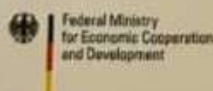

IPD's mission is to facilitate and sustainably increase the import from selected developing and emerging countries to Germany and Europe. The IPD supports small to medium sized companies in fulfilling the requirements of the European market and building up long-term business relationships with European Importers.
